FY 1976 KIQ STRATEGY REPORT

KIQ 38. *What are China's policies and activities toward maintaining and expanding its influence in the Third World, and do these policies contribute to disorder or stability?*

Pay particular attention to those PRC activities detrimental to US interest.

I. COLLECTION

A. The principal areas on which reporting and analysis are required during the fiscal year are:

Target 1: Information on the nature and extent of PRC aid, training of and influence on Third World governments and dissident groups, particularly those which affect US interests.

Target 2: Information on PRC support for and influence on Third World positions which affect US interests, such as U.N. issues, law of the sea and other international conferences. Also Péking's policies towards Third World producer organizations such as OPEC.
